

# Dove Card

diagrams by  
Mark Gillespie (2024)

The dove card was designed by Didier Boursin (<https://origami-creation.com>), and can be found in *Minigami* by Gay Merrill Gross. I learned it from Origami4ik on YouTube: <https://youtu.be/sR6VytS9XrU>

## NOTATION

 Colored side  
 Light side

This model uses a piece of paper which is approximately 3:1. The exact dimensions aren't very important.

Start with colored side up. Fold down corner

Mountain fold back along edge, and flip model over

Unfold

Fold corner to corner

Fold and unfold

Squash fold

Fold edges to center line and unfold

Petal fold

Fold in half

Reverse fold down head

Fold flap upwards. Make sure fold runs perpendicular to right edge

Fold left edge to right edge, tucking under bird

Fold corner up behind wing

Completed card
