

Dove Card

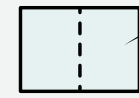

diagrams by
Mark Gillespie (2024)

The dove card was designed by Didier Boursin (<https://origami-creation.com>), and can be found in *Minigami* by Gay Merrill Gross.

I learned it from Origami4ik on YouTube: <https://youtu.be/sR6VytS9XrU>

NOTATION

 Colored side
 Light side

Valley fold

Mountain fold

This model uses a piece of paper which is approximately 3:1. The exact dimensions aren't very important.

1

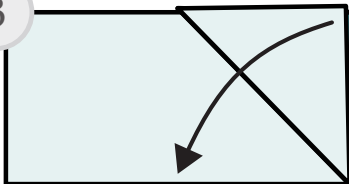

Start with colored side up. Fold down corner

2

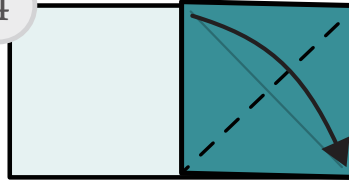

Mountain fold back along edge, and flip model over

3

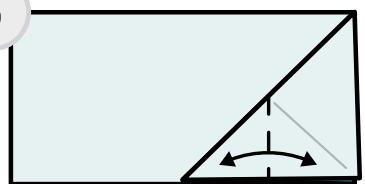

Unfold

4

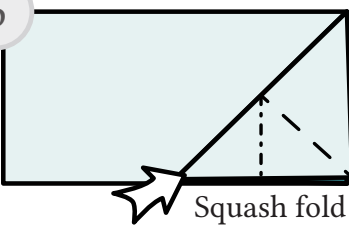

Fold corner to corner

5

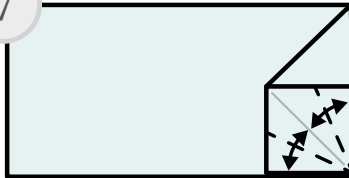

Fold and unfold

6

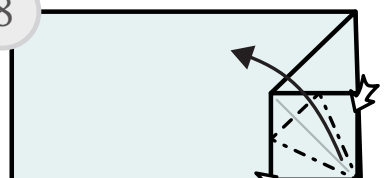

Squash fold

7

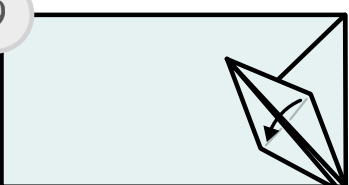

Fold edges to center line and unfold

8

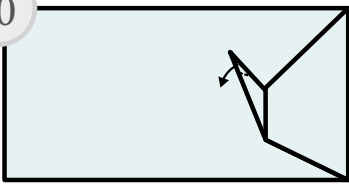

Petal fold

9

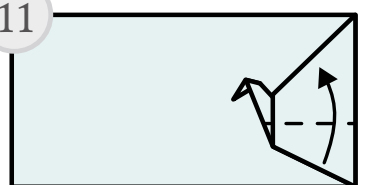

Fold in half

10

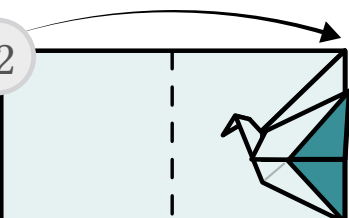

Reverse fold down head

11

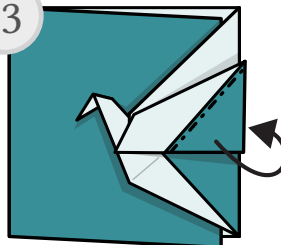

Fold flap upwards. Make sure fold runs perpendicular to right edge

12

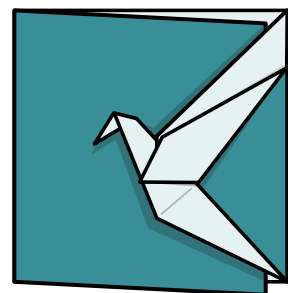

Fold left edge to right edge, tucking under bird

13

Fold corner up behind wing
